

THE LAWRENTIAN

LAWRENCE COLLEGE, APPLETON, WIS.

Tuesday, March 13, 1928

Alice Aldrich Elected Head Of W.S.G.A.

Kathryn Hubbard Selected As Vice President; Clara Schuman Is Secretary

Alice Aldrich, '29, Houghton, Michigan, was elected the 1928-29 president of the Woman's student government association at the election held at Lawrence Memorial chapel last night. She will succeed Mildred Scott, '27, Cambria.

Other officers elected at this time were Kathryn Hubbard, '30, Milwaukee, who replaces Alice Aldrich as vice-president; and Clara Schuman, '29, Sawyer, who succeeds Kathryn Hubbard as secretary-treasurer.

Qualifications

The four qualifications for election to a W. S. G. A. office are fidelity, loyalty, capability and personality. The W. S. G. A. creed was established on the Lawrence campus in 1919, taking as its fundamental principles government by the women students, cooperation, and fellowship.

This year W. S. G. A. has undertaken the task of revising the constitution of the organization. The main body of the constitution has been left intact but the by-laws have been revised, so that the students will have more power to govern.

Other Activities

The choosing of suitable councilors for the freshman dormitory is another activity of the organization, and last year it inaugurated the point system, which controls outside activities of women on the campus.

W. S. G. A. is a national organization. Last year Lawrence sent two delegates, Alice Aldrich, '29, and Mildred Scott, '28, to the national convention of the group which was held at the University of Illinois, Urbana. The midwest conference will be held in the near future at Carlton College, Northfield, Minnesota, but as yet no arrangements for the Lawrence delegates has been made.

University Review Announces Contest

"The Southwest Review", published by the Southern Methodist university at Dallas, Texas, has announced the 1928 poetry contest, open to any undergraduate student in an American college.

A prize of 100 dollars is offered for the best poem, not exceeding 100 lines in length. Manuscripts must be in the hands of the editors of the "Review" before May 1, 1928.

The contest this year is, for the first time, being conducted by the "Southwest Review." For the past six years the annual award has been offered through the Makers of Southern Methodist university.

Further information regarding the contest may be obtained from Professor William E. McPheeters.

Watts Returns From Columbus, Ohio

R. J. Watts, business manager of the college, has returned from Columbus, Ohio, where he attended the founders' day dinner of Phi Sigma Kappa fraternity at Ohio State university.

While in Columbus, Mr. Watts conferred with the comptroller of the university and inspected the new half-million dollar woman's building. He also examined the university's gymnasium and swimming-pool lay out.

Mrs. A. W. Boslough of Wausau spent the week-end with her daughter, Margaret Boslough.

Goddie Cohen, '30, spent the week-end at her home in Weyauwega.

"Mark Twain of the Orient" To Speak Here

On Thursday, March 22, the "Mark Twain of the Orient" will speak at student convocation. He is No Yong Park, editor, humorist, and lecturer on far eastern problems.

Park is a graduate of the University of Minnesota, winner of the Pillsbury oratorical contest at that university. He also won the Harris political science prize which is given to students of the big middle-western universities, and the International essay contest, which is open to students from forty-seven countries in American universities and colleges. In the first two contests he defeated American students in their own language.

His gift of oratory, breadth of vision, richness of experience, wealth of information, power of analysis, and keen sense of humor make him a very popular speaker in the great cities of America and Canada.

Postponed Concert Of Galli-Curci To Be Given In April

Appleton Appearance of Famous Soprano Sponsored By Women's Club

Amelita Galli-Curci, noted soprano, will sing in concert at the Lawrence Memorial chapel, April 16; the concert scheduled for February 22 having been postponed because of the singer's illness. Her Appleton appearance is being sponsored by the Appleton Women's club.

Galli-Curci's unusual success as a soprano dates from the time of her debut at Triani, Italy, when she had a role in "Rigoletto". She was received in this first appearance with such enthusiasm and acclaim that she was given engagements to sing at the Constanzi theatre in Rome. Following this the great singer appeared in concert in Italy, Egypt, Russia, Spain, and South America.

American Debut

About ten years ago the soprano made her debut before the American public in Chicago and later sang before thousands at the Metropolitan opera house in New York. For nine years she toured in this country and then spent a season in the British Isles, Australia, and New Zealand.

Galli-Curci has achieved her noteworthy position among musicians because of the warmth and brilliancy of her voice and the sympathy with which she interprets her songs. Possessing a charming stage presence and a knowledge of five languages she can present selections with accuracy and in a pleasing manner.

Five Elected To Delta Chi Theta

Milford Edwards, Ellsworth Ellingboe, Alden Hilton, and Charles Woodward, all '30, and Russell Brenzel, special student, have been elected to Delta Chi Theta, honorary chemical fraternity.

To qualify for membership in this honorary, the student must be majoring and maintaining a high scholastic average in chemistry. As a special distinction, only those students who have shown particularly high ability are selected during their second year.

Three years ago the policy was established that second year chemistry students might be elected to the organization. It was then decided to admit students with an average of 90 for the first three semesters.

Others who have received this honor in their second year are Edgar Spanagel, Carl Thompson, Esther Zeigler, '28, Paul Ward, Bryce Ganna, Charles Scott, '29, and Brown Scott, '27.

Other actives of the chapter are Dr. L. A. Youtz, Dr. F. D. Stouder, and Lawrence Bennett, Catherine MacLaren, Glen Kuettal, Franklin Otis, Clarence Iwen, all '28.

Singers Will Appear Here Friday Night

Concert Will Close Artists' Series for 1927-28 Season

With the appearance of the English Singers of London at the Lawrence Memorial chapel Friday evening, the artist series of this season will come to a close.

This group of six singers has given successful concerts in all parts of the world, their success being especially unusual in America. After their first appearance in this country in the fall of 1925, they returned the next season to fill nearly one hundred engagements, including six sold-out recitals in New York, where they won the acclaim of the press and the public. On the country-wide tour which the singers are making this year, they will make their first visit to the Pacific coast.

Old English Music

This outstanding record and unusual popularity of the six singers has been achieved because of the delightful programs of old English music which they present in a charmingly informal manner. Seated around a table they sing madrigals and folk songs which have an appeal for all.

The art of ensemble singing has been studied for many years by the English Singers with special study of the madrigalists of all countries. Their greatest successes have been made in the old music of the sixteenth century which they sing with a freshness and vitality which makes it seem new.

The artistry of the little group is expressed by Lawrence Gilman, noted New York critic. "It would be difficult to over-praise the triumphant skill, the unflinching taste, the insight, the delicate imaginative justice of the singers who interpreted yesterday their program of this music. They conquered their hearers—as they always do."

Y.W.C.A. Meeting

Leora Caulkins, '30, will have charge of the discussion meeting of Y.W.C.A. Thursday. A violin solo, "Canzonetta", by Scrim will be played by Helen Rudin, '31.

Personality Means Nothing To Instructor In Psychology

A fascinating illustration of dissociation of personality was shown before the class in abnormal psychology Friday morning, when Everett Hall, instructor in psychology and philosophy, hypnotized Eleanor Johnson, '30.

"Your limbs are heavy—heavy—you have no control over them—I control them—you are falling asleep—asleep," droned Mr. Hall at the side of the cot in the darkened psychology laboratory where Miss Johnson lay. As the suggestions continued, her eyes closed and her body relaxed.

"Your right hand will move slowly to your side," said the operator, and as he repeated the statement her hand traveled as steadily to her side as the pointer of an ouija board. Under the influence of further suggestion it traveled upward until it lay at right angles to her body and remained thus motionless throughout the remaining thirty minutes of the experiment. "There is no pain in your hand," suggested Mr. Hall conversationally, "no feeling," and pricked the hand with pins which elicited no reaction.

He then suggested that the subject could not see the color red, gave her numbers on a calendar to read, which she recited, omitting all the red letters.

College Glee Club Itinerary Is Announced

Program To Open At Manitowoc On March 21; Forty-five Will Make Trip

The itinerary for the thirty-third annual tour of the Lawrence college glee club has been completed and at present includes thirteen concerts in twelve cities. In addition to the concerts scheduled on the tour, the club will sing their home concert in the Memorial chapel on April 10.

The first program of the two-weeks' tour will be given on March 21 at Manitowoc, and the other concerts will be in Milwaukee at the Plankinton hall auditorium at Shorewood, and at the Y.M.C.A., Kenosha, Chicago, Elgin, Rockford, Beloit, Janesville, Madison, and Jefferson. The Jefferson concert, the final one of the tour, is scheduled for April 2.

Forty-five men will make the trip with Dean Carl J. Waterman, conductor. Wenzel Albrecht will again travel with the club as violin soloist, while Everett Roudelush is to be accompanist for the second successive year.

The itinerary was arranged by Leonard Henriksen, who is acting as manager of the group.

Junior Glee Club Sings In Convocation

A group of boys from the junior high school glee clubs presented a program in convocation Monday morning under the direction of Dr. Earl L. Baker, professor of public school music.

The program included "A Prayer", "Long Ago", "The Rosary", with solo by David Seoular, "Nut Brown Maiden", "Polly Wolly Doodle", and "Just a Worried For You". Two piano solos were presented by Stanley Johnston, and a trio sang "Drifting and Dreaming".

In connection with the program Prof. Baker explained the testing of boys' voices.

Delta Chi Theta

Delta Chi Theta will hold its regular meeting at 4:45 P.M. Thursday, March 15.

"Music Box Revue" Is Presented by S. A. I.

A flash of color, with its background a musically decorated curtain, marked the presentation of Sigma Alpha Iota's "Music Box Revue" in convocation Friday morning.

Gertrude Edwards sang "An Old Guitar and an Old Refrain", accompanied by Helen Weifenbach on the piano and Lee Baldwin on the guitar. Marguerite Graess then gave an interpretative dance to "A Brahms Waltz", accompanied by Dorothy Place.

Two popular numbers, "Beautiful" and "Somebody Lied About Me" were sung by Mary Francis Thomas. Mary Luce and Laura Martin, pianists, accompanied Lois Schilling, Louise Gardner, and Gertrude Edwards, who sang "Girl of my Dreams". The pianists followed this number with "Doll Dance".

A piccolo, violin and piano trio, the "Danse des Mirlitons" was played by Marguerite Graess, Helen Rudin and Jane Hampton. An umbrella quartet consisting of Helen Andruskevich, Irene Tschopp, Lois Kellogg and Arlene Luecker sang the closing number, "Let Your Smile be Your Umbrella."

Marquette, Carroll On Week's Schedule Of Women Debaters

Affirmative To Debate in Milwaukee Today; Negative Here on Friday

Lawrence women will engage in four intercollegiate debates this week, meeting Marquette and Carroll in dual debates on the conscription of wealth question.

The affirmative team, accompanied by their coach, B. H. Krueger, left this morning for Milwaukee, where they will meet Marquette this afternoon before Mercy high school. This debate will be a two member contest, Mildred Christman and Ramona Fox speaking for Lawrence.

Negative Team

The Lawrence negative team will meet Marquette at Appleton on Friday in a debate before the American Legion at the Appleton high school at eight o'clock. Agnes Huberty and Elsa Grimmer will speak for Lawrence.

The affirmative team will meet Carroll at Waukesha on Wednesday with Bertha Greenberg, Mildred Christman and Ramona Fox as speakers. On the same day the negative team will meet Carroll before Kankana high school. The lineup will probably be Elsa Grimmer, Genevieve Burr, and Agnes Huberty.

Closing their season the girls will go to Oshkosh next week, debating at Oshkosh teachers' college. The speakers for this debate have not yet been announced.

Heideman To Teach At Connecticut Wesleyan

Walter Heideman, '27, has been appointed instructor in the department of physical education at Connecticut Wesleyan, according to an announcement made by the board of trustees of that college.

"Snookie" was the second four letter man in the history of Lawrence athletics and was winner of the Hyde medal given to the senior most proficient in athletics, scholarship and sportsmanship. Besides being outstanding in football, basketball, track and tennis, "Snookie" was lightweight champion in boxing and was proficient in a number of intramurals among which are baseball, bowling, horse shoe, volleyball and golf.

He is now studying for his M.A. in physical education at Columbia university.

Clifford Johnson, '27, spent the week-end at the Beta Sigma Phi house.

Two Debates Are Captured By Negative

Crane College Defeated By 2-1 Margin; Illinois Wesleyan Loses

In its first decision contests of the year, the Lawrence college negative team won decision victories from Crane college, Chicago, and Illinois Wesleyan of Bloomington, on March 8 and 9. At Chicago, three judges gave the victory to Lawrence by a split decision, while the Wesleyan audience voted success to the Lawrence negative by a margin of 12 to 1.

Most of the debates this season have been conducted on the non-decision plan, but the victories of the negative team last week show conclusively that the Lawrence debate teams are maintaining a high forensic standard. The Viking affirmative team has also won two decision contests during the present season.

Personnel

Men who represented Lawrence in the decision debates of last week were William Herman, '30, Arthur Mueller, '29, and William Verhage, '28.

The Illinois Wesleyan team will come to Appleton Friday night and engage with the strong Lawrence affirmative team. The Viking affirmative has not been defeated on the platform this year, and the contest Friday night should be exceedingly close and interesting.

The question of armed protection of property continues to arouse wide interest throughout the state and middle west. The leading colleges of the country are discussing the question this year and interested crowds are attending the forensic contests.

Potter To Give Speech On Foreign Relations

Professor Pitman B. Potter of the department of political science, University of Wisconsin, will speak on "International Relations of the Present Time" on Thursday evening, March 15, at 8 o'clock. The lecture will be given in the literature room, Main hall.

The members of the history club will attend the lecture instead of holding their regular meeting.

Students Considering Resurrection Evidence

The evidence of the resurrection of Jesus was questioned and examined by the students who attended Sunday morning's discussion group meeting at Hamar house.

The idea of the resurrection of Christ was compared and contrasted with the notions of resurrection and even reincarnation of gods in religions other than Christianity.

Next Sunday morning the group will take up the question of Christ's teachings versus miracles as a basis for discipleship, in an attempt to decide whether Christianity is based on the things which Christ stood for or the things He made happen.

"UNDER ORDERS"

The recent editorial on "under orders" week has conveyed the impression, to many people, that the Lawrentian is advocating a complete abolition of the period of probation previous to initiation. Before going further in the matter, we would like to point out our stand on this point. We do not advocate the abolition of "under orders". We believe that this period, if conducted in the proper manner, can be of great value and importance in the initiation of a fraternity man. What we do not believe is that the present system of "under orders" fulfills the task of adequately preparing a man for membership into his brotherhood. "Under orders", if conducted on the right basis, can be made a powerful factor in determining the attitude of a man toward his fraternity, but it does not seem to us that the horseplay and paddling which makes up the major part of "hell week" accomplishes that purpose.

Under the present system a neophyte is paddled, not only because he has done anything which he is forbidden to do by his superiors, but often merely because it is the traditional thing to do. In other words, it is paddling merely for the sake of paddling, and it cannot be argued reasonably that such a situation is of any benefit to the initiation program. In fact, it detracts rather than adds, and this is precisely what the Lawrentian is lamenting. The same can be said of a majority of the horseplay which goes hand in hand with paddling. It has practically no bearing on the forthcoming event, that of being received into active membership in a group, and unless it has a constructive value it is useless and senseless to maintain it. If, furthermore, it not only has no value in preparing a man for initiation, but actually detracts from the impressiveness and importance of the ritual it goes beyond the point of uselessness. It constitutes a danger and as such it is the obligation of the fraternities to amend the system to carry out the work for which the probation period was originally conceived.

THE USUAL WORD TO THE WISE

Just now, when you are as nearly recuperated from what happened to you last semester as you will ever be, is a good time to take a long look into this semester and pursue wisdom.

One of these days it is going to be spring in spite of the weather, and a stroll down river in the evening is going to be a lot more inviting than a trip to the library. The afternoons, too, are going to be longer and lazier, and a dance record on the parlor victrola is going to sound much better than the click of a typewriter in a study room.

Acquiring grades resolves itself into the simple formula of so much delivered in so much time regardless of the season, and right now at the beginning of the term there is an excellent opening for a little concentrated effort toward getting a college education. It will be easier now than it will be later,—and it has to be done.

—Daily Kansan.

Frosh Have Clear Record For Season

Under the new plan of freshman basketball coaching that was started this year by A. C. Denney, athletic director, the Blue frosh cagers played a schedule of ten games, coming through the list with a clean slate of ten wins. Most of the games served as curtain raisers to the regular varsity contests.

Kenosha Dropped

The first game of the season was with the strong Kenosha high five. Kenosha, rated as one of the strongest high school teams in the state, put up a real battle in the first half, which ended with the Blues on top of a 6 to 5 count. In the last half, however, the "Keno" defense cracked, and allowed Biggers and Bologny to sift through for basket after basket. The final count was 23 to 8.

The Kenosha game was followed by three tilts with the leading industrial league teams of the city. In the first of these, the Frosh downed the Coated Paper company by a score of 23 to 12. The Fox River Paper company furnished the opposition in the next game, which came during the short vacation between semesters. Several of the regulars were absent, and the game was barely won by a score of 18 to 15. Biggers accounted for ten of these points, while Steinberg did excellent work on the defense. The Coated Paper five then came back for another trouncing, and took it to the tune of a 24 to 8 count.

Frosh Swamp Oshkosh

In the next game the Blue yearlings traveled to Oshkosh where they met the freshman Reds. The game started with an Oshkosh forward dropping a long shot on the first play, but that was all the scoring accounted for by Oshkosh in the entire half. The Blue offense was working like a charm, and the bewildered Oshkosh guards were unable to stop it. The final count was 45 to 16, and Coach Briesse used three different quints throughout the struggle.

Rauch's Sport Shop five were the next victims, and they fell before a 34 to 14 onslaught, which was led by Biggers and Rousch with six and four baskets each.

The touted West DePere high quint fell before the frosh seconds next by a score of 20 to 16. Kriek and Rowe were easily the stars.

Biggers Elected Honorary Captain

Hayward Biggers, Elgin, Ill., king pin of the freshman cage squad offense was elected honorary captain of the squad by the eight sweater men Friday night. The position is one to which one member of the freshman squad is elected at the end of each season.

Biggers is regarded by coaches and officials as one of the strongest offensive freshman players developed in recent years at Lawrence. He was a constant worry to every pair of guards during the entire season, and despite his being a marked man in every game he was able to break through and lead the squad in scoring in most of the games.

Biggers was also chosen captain of the all-fraternity first team by Coach Briesse.

Girls' Varsity Bowling Team Is Announced

The girls' varsity bowling team chosen by the W.A.A. bowling manager and the four class managers was announced at a banquet at Ormsby hall Saturday evening.

Members of the varsity team are: Mildred Feller, '29, who bowled 152 for the highest score of the tournament; Dorothea Krause, '31, who made 182 in a practice game, the highest score of the season; Irene Fullerton, '30, high scorer for her class; Kathryn Howser, '30, and Marguerite Graess, '31, both of whom bowled high scores consistently all during the season as well as in the tournament.

In what was probably the best game played by Coach Briesse's boys all year, the Ripon frosh were stamped on by a count of 33 to 13. The Blue frosh were never in danger, and led at the half by a margin of 14 points.

In the last game of the season the Beloit frosh fell before a 27 to 13 drive. Laird led the attack in this game, besides turning in a good floor performance.

The team this year has been coached by Harold "Pete" Briesse, former Viking leader and star. Under his teaching the yearling team was given a thorough foundation in the Denney style of basketball.

Six Victories For Lawrence Vikings During Past Season

Northwestern, Carroll, Ripon, Beloit,
Hamline, Defeated By
Lawrentians

Six games won and ten lost out of a total of sixteen contests played was the record of the Viking basketball team for the season closed last week.

Four of the victories and a like number of the defeats were Midwest conference games, the league record of 500 placing Lawrence in a tie for fourth place in the conference standings. Series were dropped to Carroll, Ripon, and Marquette; Beloit was beaten twice, the only season's series decision for the Vikings. Other victories were won from Northwestern college, Monmouth, Coe, and Hamline.

Season Resume

The season opened on December 16 when the inexperienced varsity took the measure of Northwestern, 27 to 22, after the latter had defeated Ripon. Four days later, December 20, an all-star alumni quintet nosed out the Vikings, 24 to 21. Following this game, activities were suspended until after the Christmas holidays, being resumed on January 6 when Marquette won from the Blue and White in an exciting game, 31 to 21.

A week after the Marquette game, the Vikings went on their first road trip of the year, opening their Midwest conference season with a pair of games in Minnesota. Hamline was beaten at St. Paul, 37 to 35, and the following night Carleton, this year's conference champions, took an easy game, 32 to 12, in a contest wherein the Vikings were clearly outclassed. Returning to Appleton, the Blues were host to Cornell on January 17, but dropped another Midwest game, 27 to 15.

Ten days later the team embarked on another jaunt into foreign territory, this time into the south. Beloit was met and defeated, 19 to 16, but at Knox the team was unable to keep up the pace and fell before Siwash, 22 to 16. Monmouth, on a trip into Wisconsin, was defeated on February 4, 27 to 24, in an overtime fracas, and after six straight conference battles the Vikings went to Ripon for a non-conference game, losing the decision, 27 to 22.

Carroll and Marquette

Carroll came to Appleton on Feb. 11, and after a hard game the superiority of the Pioneers was too much for the inexperienced home team, and the visitors won a 31 to 20 decision. The return game with Carroll, on Feb. 28, was almost a replica of the first, the Blue and White ultimately bowing to a heavier squad, 27 to 17. Following the first Carroll game, Marquette was met at Milwaukee on Feb. 13, the Avalanche annexing their second game of the year from Lawrence, 29 to 20.

Coe was treated to a big surprise when it came here Feb. 18, and the Blues, mainly through unerring eyes from the free throw line, took a 26 to 20 victory. Entertaining Ripon on Feb. 24, the Vikings were handed their final conference defeat, 25 to 20, after which the team went to Carroll where they were also defeated. The season closed with a win over Beloit on March 3, 29 to 20.

Twelve Underclass Letter Men

While the 1928 season failed to set the sport world on fire, the cause was mainly due to inexperience rather than lack of class. The season opened

(Continued on Page 4)

Girls' Basketball Meet Opens Tonight

The women's basketball tournament will begin tonight with the freshmen meeting the sophomores and the juniors the seniors, in second team elimination contests.

Wednesday, March 14, the winners of the freshman-sophomore game will play the winners of the junior-senior clash, and the sophomore third team will meet the junior third team.

The round robin first team tournament will begin Monday night with the juniors meeting the freshmen, and the sophomores opposing the seniors. The contest will continue Tuesday night, March 20, with the juniors playing the sophomores, and the seniors the freshmen.

The final games will be played Wednesday night, March 21, with the juniors playing the seniors and the sophomores meeting the freshmen.

Miss Agnes Vanneman of the Appleton Women's club will referee the first team games and Miss Katherine Wisner the second team tournament.

Sophomores Defeat Freshmen; Capture Indoor Track Title

Calhoun Sets New High Jump Record With Mark of 5 feet,
7 1/2 inches

Total Points	
Sophomores	26
Freshmen	25 2/3
Juniors	16
Seniors	6 1/3

The sophomore class, with three first, three second and three third places, boosted their flag twenty-six points to take the interclass indoor track meet by one-third of a point from the freshmen in Alexander gymnasium Saturday afternoon.

Granville Calhoun, who entered school as a freshman in February set a new record for the high jump when he cleared the bamboo at 5 ft. 7 1/2 in. The old indoor record was 5 ft. 7 in.

The freshmen copped three first, one second, two third, and three and two-thirds fourth places. The juniors were far and away ahead of the seniors with sixteen points to grab third place, while the seniors were let down with two second places for a total of six points.

Results

High jump—5 ft. 7 1/2 in. (new record)—Calhoun, '31, first; Ellis, '30, second; Ryan, '31, third and Steinberg, '31, Hyde, '28, and Maxon, '31 tied for fourth place.

Twenty-five lap race—Wolf, '30, first; Jesse, '30, second and Jacobson, '28, third. Time—5 min. 15 sec.

Four lap race—Paul Fischl, '31, first; Don Hyde, '28, second; Al Fischl, '29, third and Barnes, '31, fourth. Time—40.9 sec.

Shot put—Pfefferle, '31, first; Krohn, '30, second; Humphrey, '29, third and Vedder, '31, fourth. Distance—35 ft. 8 1/2 in.

Twenty-yd. dash—Pope, '30, first; Redecker, '28, second; P. Fischl, '31, third and Bryan, '29, fourth. Time—2.8 sec.

Ten lap race—Menning, '29, first; Don Hyde, '28, second; Scheurman, '29, third; and Al Fischl, '29, fourth. Time—1 min. 58 sec.

Broad jump—Pope, '30, first; Pfefferle, '31, second; Ellis, '30, third and Barnes, '31, fourth. Distance—18 ft. 5 1/4 in.

Remmel Is Named On Second Basketball Team Of W-I League

Pierce, Slavik and Schneller Given
Mention by Milwaukee
Sentinel

Urban "Zeke" Remmel, ace of the 1928 varsity cage squad, has been placed on the mythical all-star team of the defunct Wisconsin-Illinois conference which is picked annually by the Milwaukee Sentinel, it was announced in Sunday's issue of the Milwaukee paper. In addition to being selected for the berth, Remmel was chosen captain of the second five. Pierce and Slavik, guards, and Schneller, center, were given honorable mention in the selections.

Although Lawrence withdrew from the conference at the close of the football season, the conference basketball schedule was played through as outlined before the break. Many newspapers, the Sentinel included, have continued to recognize the league as being unofficially in existence, and the team selected by this paper has been chosen by the coaches of the five teams comprising the old conference, Ripon, Carroll, Lawrence, Lake Forest, and Northwestern.

Three Carroll men, members of the state championship quint, and two Ripon players were chosen to fill the first team positions. Leo Bazal, Carroll ace, was placed at forward and captain, and Cliff Halverson, Ripon, placed at the other forward berth. Kempthorne, Pioneer center, was unanimous choice for the pivot position, and guards chosen were Martin, Ripon, and Bizer, Carroll.

Remmel, Lawrence, and Zils, Northwestern, were picked as forwards on the second team, with Oliver, Ripon, at center and Roskie, Lake Forest, and J. Halverson, Ripon, at guards. In addition to the three Vikings honored, honorable mention was given to Pless and Rosenhauer, Northwestern; Gluck, Scholz, Carroll; Breitrick, Williams, Ripon; and Ferzaca, Lake Forest.

Sophomores Take Honors In Bowling

A ninety-six point victory in a championship match with the juniors Saturday, March 9, gave the sophomore girls undisputed title to all honors in interclass bowling for the year.

The winning of this tournament gives the sophomores twenty-seven points toward the Wisner cup, placing them three points behind the juniors, who are still in first place. The class of '29 has a total of thirty-five points: twenty for first place in hockey and fifteen for volleyball. The class of '30 has five points for being tennis runner-up, fifteen for first team bowling championship, nine for second team victory and three for third team, giving them a total of thirty-two points. The freshmen won first place in fall tennis, and with it ten points toward the trophy.

There are still tournaments to be held in basketball, swimming, rifle, baseball and track, for which points will be awarded toward the cup. The class of '29 won the cup last year, and there is keen competition for the honor this year, especially between the juniors and the sophomores, who were close runners-up last year.

Claude O'Neil, Kilbourne, visited at the Phi Kappa Alpha house over the week-end.

SOCIETY

Mu Phi Epsilon Entertains at Formal

The formal opening of the Tri-angle night club, with actives and pledges of Mu Phi Epsilon and guests as members, was held in the crystal room of the Conway hotel Saturday evening. Bright colored balloons, a crystal ball, flood lights, and jazz songs and dances furnished by entertainers helped to produce a night club atmosphere.

The chaperones for the dance were Miss Marguerite Woodworth, Warren Beck, and Mr. and Mrs. Norbert Verbrick. Mr. and Mrs. Cyrus Daniel and Mr. and Mrs. Carl Waterman were guests. Music was provided by Dan Courtney's orchestra.

Theta Phi Holds Basketball Party

Members of the basketball team and Coaches A. C. Denney and George Christoph were guests of honor at a basketball house party given by Theta Phi on Saturday. Decorations were in blue and white. Several novelty dances were given as special features.

The Vagabond Kings provided music for dancing for forty couples. Professor and Mrs. Fred Tresize were chaperones. Emerson Norton of the Olympic games of '24 was a guest.

Announce Initiations

Beta Sigma Phi announces the initiation on Sunday of Irving Jackola, '30, Robert Bertram, and William Meyers, both '31.

Miss Lorenz Entertains Freshman Advisers

Miss Charlotte Lorenz entertained her freshman advisees at a party in her apartment at Hamar house Saturday evening. Games were played, and a lunch served.

Mortar Board Entertained at Tea

Miss Ruth Norton entertained the Lawrence chapter of Mortar Board at tea at Ormsby hall Sunday afternoon.

Tea Given for Zeta Tau Alpha

Actives and pledges of Zeta Tau Alpha were entertained at a tea given by Mrs. Everett Hall, N. Appleton street, Saturday afternoon.

Beta Sigma Phi Holds Smoker

Beta Sigma Phi entertained twenty patrons, alumni, and faculty members at a smoker Thursday evening.

Pan-Hellenic to Hold Tea-Dance Saturday

Pan-Hellenic will entertain at a tea-dance from two-thirty to five in the parlors of Russell Sage hall Saturday afternoon. All women faculty members, wives of faculty members, and women students are invited to attend.

Caging Prospects For Next Year Are Bright

(Continued from Page 1)

without a single regular from last year on the squad, and there was no captain. Because this year's varsity was made up almost entirely of sophomores, the entire squad of twelve letter men will be back next year. Only two men, Schlagenhauf and Hilton, are not sophomores, which means that Coach Denney will have practically the same team intact for two more years. In addition to Rummel, Pierce, Slavik, Rasmussen, Hoffman, Schneller, Hilton, Jackola, Schlagenhauf, St. Mitchell, Voecks, and Ellis, all letter men this year, the Viking mentor will have, fighting for positions on next year's varsity, the strongest group of freshmen Lawrence has ever had, the entire frosh group being firmly grounded in the Denney style of play as a result of the present system of coaching, inaugurated this year. With such an array of material, prospects of Lawrence regaining the top of the heap in Midwest basketball within the next two years are exceptionally bright.

'31, were initiated into active membership in Psi Chi Omega.

Miss Achtenhagen Entertains

Miss Olga Achtenhagen entertained her freshman advisees at supper, Sunday evening.

Delta Sigma Tau Pledges

Delta Sigma Tau announces the pledging of Carlton Taylor, '31, on Sunday, March 10.

Delta Iota Association Holds Meeting

Delta Iota association held a dinner and meeting at the Delta Iota house on Sunday. Don Dyer, Larry Singer, Fred Boyce, Claude O'Neil, and Roy Herbs, all of Milwaukee, were guests.

CLUBS

Tourmaline Club

The members of the Tourmaline club are to be taken through the Riverside paper mill Wednesday evening. All members of the club are urged to be present.

Amos Lawrence Club

The Rev. H. S. Gately, pastor of the All Saints' Episcopal church, gave an illustrated lecture on the Bahama Islands at a meeting of the Amos Lawrence club in the Parish hall Sunday evening.

Spanish Club

Olive Oettiker, '28, will read a paper on the life of Cervantes, at a meeting of the Spanish club in Main hall this evening. A similar paper on the life of Pereda will be read by Alice Michels, '30. The club will discuss the possibility of bringing a speaker here to talk on some phase of Spanish arts.

Chemistry Club

Merrill Youtz, the son of Dr. L. A. Youtz, and a research chemist of the Standard Oil company of Indiana, will speak on some phase of the chemistry of the petroleum industry at a meeting of the chemistry club to be held Monday, March 19, at eight o'clock.

Campus Club

The Campus club will hold a tea from three to five on Thursday, March 15 at Russell Sage. Each member of the club may bring a lady guest. Mrs. Earl L. Baker is in charge of the arrangements.

Ellen Stuart, '30, and Marion Howland, '31, spent the week-end at their homes in Waupun.

Arthur Hanson, ex-'28, visited at the Beta Sigma Phi house over the week-end.

Earn Extra Credits During Summer Vacation

The change and recreation so necessary to everyone are here combined with superior opportunity for educational advancement. Boating, swimming, tennis, concerts, dramatic performances, inspiring lectures, etc., are all available. Organized excursions to industrial, financial and art centers of Chicago. Courses covering full year's work in General Chemistry, Physics or Zoology, for students interested in Medicine, Dentistry or Engineering.

Faculty Places Second In Volleyball Tourney

The Lawrence faculty volleyball team took second place in a triangular round robin tournament between Lawrence, Kimberly, and Fond du Lac at Kimberly Saturday night. Each team won one and lost one match, but Kimberly scored first place by winning the most games.

The scores were: Lawrence 3—Kimberly 2; Fond du Lac 2—Lawrence 1; Kimberly 3—Fond du Lac 0.

Clarence Jordan of the Ohio Epsilon chapter of Sigma Phi Epsilon spent the week-end at the Sigma Phi Epsilon house.
